

Response to Literature Guide

1. The Title - Write some quick notes

- **What could it mean?**
- **How does it fit?**

After you read...

- **Where is it from? A titular line? Something unique?**

2. Try to mark the following items

- **The conflict/problem of the story - what does the character want?**
- **The climax - the moment when the character fundamentally changes**
- **The resolution - the moment when the conflict/problem is solved**

3. Write two questions

- **Character motivation**
- **Prominent detail**
- **Unusual use of language**
- **Ambiguity in words or phrases**
- **Connections between parts of text, characters, title/story**
